Dear Claas Customer:

We at Arnold's are committed to providing you the best service available for your Self-Propelled Forage Harvester. Below please find a list of parts and service personnel that are available to help you. Our after hours numbers are also listed in the event that you need parts or service outside normal business hours. To better serve you, we are stocking parts at all stores. We look forward to working with you and we appreciate your business.

Rates: \$125.00 service call during regular business hours plus \$170.00 per hour from the dealership out & back.
\$225.00 service call for after hours service plus \$170.00 per hour from the dealership out & back.

For after hours service, please contact your closest store/person for service. If no answer please leave a voice message or text message with the contact number and they will respond when time allows.

SERVICE:

*Please call closest store's service manager during regular business hours to schedule service. Please call after hours cell phone for after hours service.
